'VALTUS' & 'DR. MAIER + PARTNER' LAUNCH VALTUS IN GERMANY TOGETHER TO OFFER EXECUTIVE INTERIM MANAGEMENT SERVICES IN THE GERMAN MARKET

'Dr. Maier + Partner' has been a leader in Executive Search and HR consulting in Germany for over 50 years. Valtus, with capabilities to help clients all over the world, is a global leader in Executive Interim Management.

Together the two companies are launching Valtus in Germany to offer top-notch services in the German market.

The Executive Interim Management industry is growing 10-15% every year supported by strong underlying trends. The global market is worth more than 8 billion euros. Germany is a market valued at over 2.75 billion euros¹. This strategic move marks a significant step in deepening Valtus' presence in a key economy at the heart of Europe.

Philippe Soullier, now Chairman of 'Valtus Group', says: *"This joint venture is a major asset for Valtus' successful second establishment in the DACH region (after acquisition in Austria in 2022). We believe this partnership with a trusted player in a growing market is an effective way to accelerate the overall expansion of Valtus Group."*

Heinrich Schaible, Managing Partner at 'Dr. Maier + Partner' says: *"We are pleased to be partnering with Valtus and are convinced we have much to learn from each other. Our aim is to offer high value Executive Interim Management services together, emphasizing excellence while sharing our in-depth knowledge of local markets."*

Aymeric Bas, Managing Partner International at Valtus says: *"I am very enthusiastic about our partnership with 'Dr. Maier + Partner' in Germany. This joint venture is an important cornerstone in our international growth agenda and is instrumental for our Cross Border Initiative plan."*
